Medical Network Service[1]

AIA Voluntary Health Insurance Prime Scheme

Extended privileges on 3 designated day surgeries at our Specialist Network

Nowadays, minor surgeries carried out in day surgery clinics are as safe as those carried out in hospitals and also save more time and be more convenient. With a comprehensive specialist group and well-equipped day surgery centres, it is definitely a better alternative for you. You can enjoy cashless arrangement when one of the following common medically necessary surgeries (not including health checks) is performed at the designated panel network clinics:

- Upper GI endoscopy
- Colonoscopy
- Cataract extraction

The doctor list covered under the specialist network is available from "AIA Connect / 友聯繫" app and Customer Corner at aia.com.hk.

(i) Cashless day surgery arrangement[2,3]

If the panel network doctor advises to take one of the mentioned surgeries and this surgery has been successfully carried out, the payment will be made directly to the network clinic. To enjoy this arrangement, you only need to take the following steps.:

- ❖ Call our Network Clinic Enquiry Hotline (852) 2232 8888, press "#2" after choosing language and the panel network staff will further assist you to make appointment for consultation
- ❖ Present the electronic network surgery card and I.D. Card (or other identification document) at the medical network counter when attending the appointment

(ii) Pre and post day surgery outpatient consultation[4] including diagnostic tests

If the mentioned day surgeries are performed at our panel network clinic, the pre and post day surgery outpatient consultation conducted and the medically necessary diagnostic test performed during consultation in panel network clinic can also enjoy the cashless arrangement.

(iii) Waiver of deductible[5] (Only applicable to policies with deductibles)

If the mentioned day surgeries are performed at our panel network clinic, the deductibles of these policies will be waived, which means you do not need to bear any costs incurred.

(iv) Day surgery cash benefit

If the day surgeries are performed at our panel network clinic, you can also enjoy the day surgery cash benefit

Electronic Network Surgery Card:
