Dear Customer,

Re: Policy Loan

This refers to the policy loan of your policy.

We would like to inform you that the outstanding loan with accrued interest of your policy has exceeded the policy value. In order to keep your policy in force, you are requested to make a partial loan repayment in the amount of not less than USD72.52 **within one month** from the print date of this letter. This partial loan repayment amount was projected based on the current loan interest rate 7%, so that the policy loan will not exceed the policy cash value within the next six months. Please note that the loan interest rate is not guaranteed and subject to change at any time.

We appreciate it if you can repay this loan amount before the said deadline. Otherwise, your policy will be terminated from this deadline according to the Loan Provisions of the policy contract.

In addition, the current outstanding loan and cash value are also provided below for your reference:

As of **30 April, 2024**:

Cash Value and Dividend	USD1,989.35
Loan Indebtedness	USD1,989.37

If you have any questions regarding this letter, please contact your AIA Financial Planner HO KAR LEE on 39712200 or the AIA Customer Hotline on 2232 8888 at your convenience. We are always ready to help.
