Rebate Calculation and Distribution:
The Rebate will be distributed within 45 days after the end of each quarter (i.e. February, May, August and November each year), and will be calculated based on the average monthly balance of the funds held under member's account[4] over that particular quarter. The Rebate will be allocated/credited to the respective funds under member's account in the form of a unit/amount rebate[5].

Terms and conditions:
1) Upon successful enrolment into the MPFPA, a member is bound by all of the terms and conditions of the MPFPA as stated in the application form.
2) The Bonus and Rebate are only applicable on the condition that member's account has not been terminated on the date of Bonus/Rebate distribution.
3) This offer is not valid in conjunction with any other pre-existing offer(s). For the Guaranteed Portfolio, the Rebate will be applied to its management fees at underlying fund level.
4) The average account balance of a particular month is calculated based on the average of the closing balance of that particular month and the previous month.
5) For MPF funds (other than the Guaranteed Portfolio), which are unitised funds, the Bonus/Rebate will be allocated to member's account in the form of units. For the Guaranteed Portfolio, which is not a unitised fund, the relevant amount of the Bonus/Rebate will be credited to member's account.
