Dividend Distribution Portfolio Construction 派息投資組合結構

The fund selection criteria for the Dividend Distribution Portfolio are based on quantitative analysis on following parameters:

- Dividend Yield
- Return
- Risk
- Risk-adjusted Return
- Dividend Growth Rate
- AIMHK Fund Ranking

派息投資組合中的基金甄選標準是基於對以下參數的量化分析：

- 股息收益率
- 回報率
- 風險
- 風險調整回報
- 股息增長率
- 友邦投資管理基金排行榜

Disclaimer & Terms of Use

This document is prepared pursuant to the request of AIA International Limited for information purposes only. This does not take into account the specific investment objectives, financial situation and particular needs of any persons. An investor may wish to seek advice from a financial adviser regarding the suitability of the investment product, taking into account the specific investment objectives, financial situation or particular needs of any person in receipt of the document, before the person makes a commitment to purchase the investment product. Nothing in this document should be construed as investment, tax, legal or other advice. References to specific securities , if any, are presented to illustrate the application of our investment philosophy only and are not to be considered as recommendation by AIA Investment Management HK Limited ("AIMHK").

The information herein should not be used as the basis of any investment decision. This document is intended for use by AIA International Limited only. It does not constitute an offer to sell or the solicitation of an offer to buy any security or investment or advisory service, or a recommendation of any such security or service, that may be referenced on or through this document. This document and nothing in this document shall be construed to be marketing or advertising for any security or collective investment scheme referenced in or through this document and is not an invitation to acquire, subscribe, acquire an interest in or participate in the same. All views expressed and references to specific securities or investment, if any, are included for illustrations only. No representations or warranties are given as to the reliability, suitability, usefulness, accuracy and completeness of the information.

The information contained herein (including opinions and views) is subject to change without notice. AIMHK, its directors, officers and employees accept no liability for any damage or loss, including loss of profit, whether direct or indirect or consequential in respect of the use or reliance of any information contained herein and whether arising as a result of AIMHK's negligence or otherwise, if any. Past performance figures, and any economic and market trends or forecast, if any, are not necessarily indicative of future performance of any strategy or portfolio. Investment is subject to investment risks, including the possible loss of the principal amount invested. Financial markets are volatile and can fluctuate significantly in response to company, industry, political, regulatory, market, or economic developments. These risks are magnified for investments made in emerging markets. No investment strategy or risk management technique can guarantee returns or eliminate risk in any market environment. Diversification or asset allocation does not guarantee a profit nor protect against loss in any market.

Unless otherwise specified, all data is sourced from AIMHK. The information presented is for use as agreed between AIA International Limited and AIMHK. This document cannot, without our consent, be reproduced, amended or circulated in whole or in part to policyholders and potential investors, for whatever purpose or reason. For the avoidance of doubt, this document must not be used for sales presentation or illustration or like purposes. This document may only be used and/or received in accordance with the applicable laws in your jurisdiction. All investments involve risks, and past performance shown is not indicative of future performance.

The document is issued by AIMHK and has not been reviewed by the Securities and Futures Commission of Hong Kong.
