Terms of Use

You confirm that the owner of this training material is AIA (International) Limited (hereinafter referred to as "AIA" or the "Company"). By using, copying or downloading this training material, you agree to be bound by all of the following terms:

This training material is produced by Corporate Solutions (hereinafter referred to as "this department") and is for internal training purposes only. For the avoidance of doubt, you also may not use this training material for sales interviews or presentations or other similar purposes.

You may not modify, or alter part or all of this training material without the prior written consent of an authorized person in this department.

This training material is produced by this department after collecting internal and external information. The updated version date is listed on the material. This department, to the best of its efforts, will ensure that the content of the training materials is accurate, complete and up-to-date. However, it will not be responsible for the accuracy, completeness and timeliness of the sources of the training materials or for the losses caused thereby, and will not make any guarantees or representations. Under no circumstances will the Company be held liable to users of training materials.

You agree to indemnify and bear any claims or recoveries by third parties against AIA (International) Limited and its parent company, branches and subsidiaries, directors, officers, financial planners, employees, partners and licensees, for any loss or damage arising from the use or breach of use of this training material.

Important note: Investment involves risks, and past performance does not guarantee similar performance in the future. This training material is for reference only and should not be relied upon to make investment decisions. To compare the performance of MPF funds, the net investment performance of funds with similar risk levels, investment policies and objectives should be compared over a longer period of time. Before making any investment decision, you must carefully weigh your personal risk tolerance and financial situation, and refer to its relevant instructions for details (including risk factors and charges). If you are in any doubt, please seek independent professional advice before making any investment. AIA and its intermediaries will not provide any investment advice to clients. This training material is provided for general information only and is not an analysis, forecast or recommendation for any product. It should not be regarded as an offer or solicitation to subscribe, buy or sell any MPF fund or scheme. Please keep in mind that this training material is only for use by AIA Hong Kong's financial planners and may not be distributed to any public.

"AIA", "AIA Hong Kong" and "the Company" refer to AIA (International) Limited (a company incorporated in Bermuda with limited liability).
